

It is a great honor and pleasure for ASG to be the Presenting Sponsor of the  
40th Annual City of Naples Tennis Championships

I am always proud to say that ASG is based in Naples, Florida. Over the last 22 years, the company has grown from a small entrepreneurship into a global provider of enterprise-level information technology management solutions for some of the world's largest businesses. In the same span of time, Naples has been transformed from a well-kept secret into a place known everywhere for its beauty, friendliness, and superb quality of life.

Likewise, ASG is now a major contender in the global business service management market, with more than 90 offices, 1,300 employees, and 8,500 clients worldwide. Over the years, our corporate journey has taught us the real value of hard work, vision, and community involvement – on both local and global scales.

It is a great honor and pleasure for ASG to be the Presenting Sponsor of the 40th Annual City of Naples Tennis Championships, which benefits youth tennis programs in the city. This event provides more than 600 people of every age and skill level the opportunity to enjoy the game of tennis at a top-notch facility. It is an additional honor that the event is once again being held in the Arthur L. Allen Tennis Center at Cambier Park.

Events like the City of Naples Tennis Championships result in Naples residents being able to enjoy tennis memberships, professional coaching, and great facilities, as well as a marvelous program of social and competitive activities year-round. At ASG, support for this kind of community-building activity is a part of our corporate culture.

On behalf of ASG, I would like to thank the City of Naples, everyone at the Arthur L. Allen Tennis Center at Cambier Park, and other supporters who have worked so hard to make this wonderful event happen. I hope that you enjoy this tournament and many years of tennis to come.

Best of luck to the competitors!

Sincerely,

Arthur L. Allen
