Class Requirements: Each Pee wee player must have a parent/guardian present during class. Futures classes will begin at 4:00 PM and end exactly at 5:00 PM; instructors teach back to back classes and are therefore not available beyond class times. Tournament class will start promptly at 4:00 and end at 5:30 PM; once again, children will not be supervised before or after class time. Futures and Tournament students may also walk over to the park with the Pee wee group; however, they will be unsupervised until 4:00 PM when class begins and must stay outside on the deck area or under the chickee area next to the tennis court. Remember, this is a tennis instruction class and not an after school program as we do not have staff available to provide a supervised program. Students will be expected to maintain self discipline and abide by the USTA code of behavior during class.
